

STREET GRACE™

Pako Barbakadze
Full Stack Developer

Pako is an enthusiastic and results-oriented full-stack software engineer with experience building and maintaining web applications. He thrives in challenging environments that push him to create innovative and user-friendly solutions. He believes strongly in collaboration and takes pride in working effectively within a team. He is always eager to learn from experienced colleagues and share his knowledge to help others grow.

About Street Grace:

Street Grace is a faith-based organization that utilizes evidence-based demand reduction strategies to eradicate the commercial sexual exploitation of children (CSEC) through **prevention, protection, policy, and pursuit.**

CSEC is sexual activity with a child in exchange for something of value given to the child or a third person.
